Fall 2010

Issue #18

Our Fall Newsletter

Our Fall newsletter is here and with it some exciting changes. After 15 YEARS we are moving our office to Pembroke Pines. We thought long and hard about making the choice to switch cities and the benefits for us and for our clients and their families far outweigh the transitions associated with changes. We will share the details as soon as they are finalized so keep us in your prayers for a smooth and beneficial transition.

As always we like to start the newsletter to share all that we provide especially to our new clientele. Information about our services, our upcoming events, as well as all new products and services.

About Us

Making a Difference for You, Inc. is a privately owned mental health, homeopathic and spiritual counseling center providing services for all ages and ethnic backgrounds. Our practitioners and counselors have over 55 years of experience in psychiatry, psychology, naturopathy, inter-faith counseling and education.

Our website www.mad4upeace.com is growing each day with new services and as of most recently an online store/shop with all of our current inventory as well as some new products. So please come and visit and share the website with others that you think can benefit from our products, angel whispers, newsletters and upcoming events information. Feedback is always welcome. We always look forward to hearing from everyone even if your work with us is done.

Our website also has a blog icon which opens a program which posts Spiritual Inventory questions. At the present time, this blog program is hard to navigate unless you are very familiar with computers but we are currently in the process of changing the program to make it more user-friendly. Then, we want much more interaction and contribution so we can learn and grow with each other. You will find provoking questions which promote soul searching and reflection questions. You never know when your feedback will provide valuable information and healing to others.

A History of All Hallows Eve, All Saints Day and All Souls' Day

For your enjoyment and education, here is a bit of history of all of us to learn:

The Feast of All Saints is a holy day of the Church honoring all saints, known and unknown. This is much like the American holidays Veterans Day and Presidents Day, where many people are honored on one day. While we have information about many saints, and we honor them on specific days, there are many unknown or unsung saints, who may have been forgotten, or never been specifically honored. On All Saints Day, we celebrate these saints of the Lord, and ask for their prayers and intercessions. The whole concept of All Saints Day is tied in with the concept of the Communion of Saints.

The vigil of the Feast (the eve) has grown up in the English speaking countries as a festival in itself, All Hallows Eve, or Halloween. While many consider Halloween pagan (and in many instances the celebrations are for many), as far as the Church is concerned the date is simply the eve of the feast of All Saints. Many customs of Halloween reflect the Christian belief that on the feast's vigils we mock evil, because as Christians, it has no real power over us. Various customs have developed related to Halloween. In the Middle Ages, poor people in the community begged for "soul cakes," and upon receiving these doughnuts, they would agree to pray for departed souls. This is the root of our modern day "trick-or-treat."

The day after All Saints day is called All Soul's Day, a day to remember and offer prayers up on behalf of all of the faithful departed. In many cultures it seems the two days share many customs.
